Activity : sustainable vehicles (pair work)

Choose a vehicles (either from the list or not).

Work schedule:

- documentary searches in the Internet : 2h
- creation of the slide show : 2h
- oral presentation : 15 minutes

Role play:

You are technical salesmen working for a company designing new vehicles. Present the vehicle to English clients supporting sustainable development. (Your teachers and other students will play the roles of your clients and ask you questions at the end of your presentation)

The slide show:

The slide show will give information about:

- your company.
- the vehicle (choose one or several pictures to name its components – battery, engine...)
- how the vehicle works.
- the technical characteristics of the vehicle – power, speed, autonomy... (These will appear in a tabular form).
- the price of the vehicle and the target customer.

Pair work presentation – marking grid

Criteria	0	1	2
Speaking	Reading	Uncomfortable	Fluid
Product	Unclear	Clear enough	Crystal clear
Sustainability	Absent or almost	Too discreet	Detailed
Link words/ vocabulary	No effort	Too average	Obvious efforts
Tone	French	Some efforts	Constant efforts

Marking grids

Documents rendus dans les délais	Bonus : +2pts
Diaporama	/10
Présentation orale	/10
Pertinence des questions posées	/10
Prise de notes	/10
